Schedule

Consult our tech guy Jarski about load-in and soundcheck times. There are conference rooms above the venue and therefore we have to be considerate with sound levels during certain hours.

Showtime is at 21:00. If a supporting act has been booked, they will play a 30-45 min set. This leaves 15 minutes to change and main act will start at 22:00 at the latest. From June to August showtimes are an hour later.

Venue opens at 18:00 on wed & thur, and at 16:00 on the weekends but audience will be let upstairs only 15–30 mins before showtime.

Parking

You can park a car / van on the second level of the adjoining car park, in slot number 101. Entrance to the garage is through a gate on Isokatu street. Ask Jarski about the remote to open the gate. You can access 45 Special directly from the car park.

Due to our central location we can't offer parking for buses at the venue, but we can help you find a place to park your bigger vehicles overnight.

Accommodation

Starting Nov 1st, 2020, we will no longer arrange accommodation on behalf of artists, unless otherwise agreed. You can ask for an offer from:

Catering & backstage

Please note that we are a rather small club, and we are not able to provide much luxury. Our standard hospitality includes a hot meal and a case of beer (and/or cider). Soft drinks, water, coffee and tea are available at all times.

Dinner is served in our neighbouring restaurant Zivago from 16:00 until 20:00. Please notify us the time you wish to dine, and your special dietary needs at least a week before the show or else we might not be able to cater to you.

Our backstage in 45 is very small and humble, but it does have a toilet and a shower. Ask staff for towels.

If you need snacks, socks, cigarettes or such items, please bring them in yourself. Extra drinks can be purchased at the bar.

Production & marketing

Please send any promo pics, bios, social media links and other marketing materials to Hanna by email.

We will post all forthcoming events on our website and to all local event calendars, and promote them in social media. All tickets priced over 7,50 € will be available for purchase from an online ticket vendor Tiketti [www.tiketti.fi].

Feel free to send us 10-15 posters for promoting your show or email us a PDF file of your printable poster [max. print size is A3].

Other various info

Each band member is allowed one guest unless otherwise agreed. You can give the guest list to our staff upon arrival or email it to Hanna beforehand.

We'll make room for your merch if need be. No need to bring your own tables.

Email your tech rider and stage plan directly to Jarski. He will also be your contact on show day and meet you at 45 Special on arrival.

Please contact us if you have any questions. Ask Hanna about production, marketing, and ticket sales. Consult Jarski about anything technical. Roope handles all contracts and negotiations.
